## Parking Lot Safety

### USE CAUTION

Please make sure to be safe and cautious in our parking lot. Look behind you and side to side before backing out of parking spots, and make sure to watch your speed while driving. To keep traffic to a minimum we also ask that you not use the parking lot as a cut through from Worthington-Galena Road to Lazelle Road. Please pull into a parking spot when dropping off and walk with your child to their classroom. Encourage your children to stay with you in the hallways and outside. Never leave children unattended in your vehicle. Thank you for your help in keeping our parking lot safe for all our families!

## Paperwork Updates

### WATCH FOR NOTICES

Each year we are required by ODJFS to have parents review, initial and date their child's enrollment paperwork as well as make changes if needed. When you receive a notice in your child's box please stop by the office to take care of this.

## Preschool Fall Field Trip
