Specials

Chapel - Music - Art - Gym PRESCHOOL SPECIALS

Did you know that our preschool classes, both full and half day, have the opportunity to participate in various activities outside of the classroom like chapel, music, art & gym each month?

In chapel this year we will be learning about many different people that God used in the Bible, but that only one of them could fulfill His promise of salvation for the world.

In music with Mrs. Amie, the preschoolers will be praising our God with their voices and instruments, all while learning the basic building blocks of music theory and history!

In art with Mrs. Liz we will be learning about the basic elements of design at a preschool level: color (primary/secondary, warm and cool) line, shape, texture, 3D, value, observation, and symmetry.

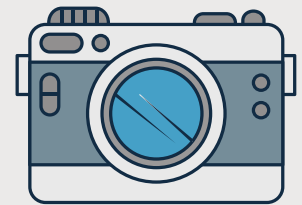

In gym with Ms. Jackie we will be using our bodies and brains to improve our physical & cognitive development, as well as our gross motor skills. We will be learning self-control/regulation and improving our coordination.

Please be sure to send your child with sneakers on gym days. Check with your child's teacher for those dates.

Fall Weather is Coming! JACKETS & SHOES

As the weather cools, make sure to bring a jacket for your child so they can play outside without getting too cold! Also, please make sure you send your child wearing shoes with enclosed toe and heel.

Fall Picture Days SEPTEMBER 28-29

Our Fall Pictures for all ECC students will be September 28-29. Check your child's mailbox for paperwork and further information as we draw closer to our scheduled picture day.
