PARKING LOT SAFETY

Parking Lot Safety Reminders USE CAUTION

We want all of our families to be safe and cautious in our parking lot. Look behind you and side to side before backing out of parking spots. Make sure to watch your speed while driving. To keep traffic to a minimum we also ask that you not use the parking lot as a cut through from Worthington-Galena Road to Lazelle Road. As per our handbook, we ask that you pull into a parking spot when dropping off and picking up. In front of the overhang is NOT a drop off/pick-up zone. Walk with your child all the way from the parking lot to their classroom. Encourage your child to stay with you as you walk to and from the building, as well as in the hallways. Never leave children unattended in your vehicle. Do not leave valuables in plain sight in your vehicle. Thank you for your help in keeping our parking lot safe for all our families!
