

Topical Product Permission Form August 2025- August 2026

I give the Grace Early Childhood Center staff permission to apply the below listed topical product to my child.

Please Note per the Ohio Department of Jobs and Family Services requirements:

From Rule 5101:2-12-25 (D)

For all other topical products and lotions, the center shall:

- (1) Ensure that the product is stored in the original container with a manufacturer's label that includes directions based on the age and/or weight of the child.*
- (2) Ensure that the parent provides signed written permission to administer that topical product or lotion.*
- (3) Apply the non-prescription topical products and lotions according to the manufacturer's instructions*

Child's Name: _____

Name/Brand of Topical Product: _____

Product expiration date: _____

To be applied on: _____

I certify that I have used the above listed product on my child at least once at home prior to having them use it at the center. ***(Please check box if you agree. We ask that all products used at our center be used at least once at home to avoid any skin reactions while at the center.)***

Parent/Guardian signature: _____ Date: _____

***Please label the topical product with your child's name.
Return the topical product along with this completed and signed form to the Grace ECC office.***
